

## Angels, Artists and Healers Symposium Speakers' Bios

**Joseph Chilton Pearce** author of *The Biology of Transcendence – a Blueprint of the Human Spirit*, *The Crack in the Cosmic Egg*, *Evolution's End and*, *Magical Child*.

Born Pineville, Ky. 1926. Aviation Trainee Army Air Corps, World War II

Degrees from College of Wm. And Mary, University of Indiana, Geneva Theological College.

Father of 5, grandfather of 12, great grandfather of 1 at last count. Taught college humanities until 1963.

Some 2,000 Lectures and workshops world-wide, numerous countries, most major universities, colleges here and overseas. Seven books published, principle topic birth, bonding, development of intelligence in children; numerous foreign translations, French, Spanish, Portugese, German, Serbian, Russian, Japanese, etc. Eighth book in process of publication – out late winter, 2006.

**Gwendolyn Awen Jones** won a Silver Nautilus Award for her book *A Cry from the Womb - Healing the Heart of the World* at the New York Book Expo in 2005. English born author, is a medical intuitive, spiritual healer, international motivational speaker, published artist, cartoonist and a photographer of sacred sites. In 1976 she trained with Mayan curanderos to use her spiritual gifts for healing. For over 30 years she has studied healing modalities while continuing her career in the arts. Worked in animation; made special effects for Lucas Films; created *Slightly Touched*® metaphysical cartoons, pen name - *Yrigoyen*. Works with Angels assisting Souls to awaken to their highest potential. Her publishing company, Angels of Light and Healing is based in Palm Springs, CA.

**Mirtala** is a graduate of the Boston Museum School and recipient of a traveling scholarship award. She studied sculpture in Paris at La Grande Chaumiere and Ecole des Arts Decoratifs. Upon return she received a BFA degree from Tufts University. She had many solo exhibitions and her work is in many public and private collections. Her poetry and sculptures were combined with music to create videos *The Human Journey* and *Mandalas*, also published as books *Thought Forms* and *Mandalas*. The latter was recently published in color, incorporating NASA space photographs.

**Peter McCarthy, N.D.** is a traditional naturopath, author/columnist, health freedom activist, energy worker, commercial airline pilot, musician and singer, and devotee of manned space exploration. He and his wife Nancy operate Life Energy Holistic Partners, a nationwide, holistic stress management practice. Peter is currently writing the landmark book, *Adrenaline Nation*, to be released in the spring of 2007.

**Nancy McCarthy** is a Health Coach, using Life Color Vibrational Healing Therapy and working with the Angels in her practice. She is also a Reiki Master/teacher, Body Talk Practitioner and artist. Nancy is a pioneer in the use of the energies of color in healing. She co-owns and operates Life Energy Holistic Partners.

**Robert Haberkorn D.C.** has studied how the human body moves and lives for over 20 years through both eastern and western disciplines. These disciplines range from medical to martial extending into the philosophical and spiritual while grounded in scientific and empirical. He has a gift for taking detailed information and cross correlating it in many disciplines. From there he brings complex ideas to a highly personal and tangible understanding.
